## FEATURED STUDENT

John J. Bricker, a junior, was born and reared in Greenfield, Iowa. He graduated from Greenfield High in 1942. In the fall of 1942 he enrolled at the University of Iowa. After one semester of work he enlisted in the United States Marine Corps in January, 1943. He spent 37 months in the Armed Forces, 27 months of which were spent in the South Pacific. He was discharged in January, 1946, and in September of that year he renewed his work at the University of Iowa. He was admitted as a first-year student in the Division of Veterinary Medicine at Iowa State College in September, 1948.

John is president of the Iowa State

Student Chapter of the A.V.M.A., was business manager for the 1950 Veishea Dog Show and has served two terms as a member of the publications board of the *Iowa State College Veterinarian*.
