*By Shawn Robinson*

Push-ups go in ones and twos  
And then up  
And then down  
And so on

A girl with blue hair looks on  
Biting her lower lip  
In love with what my body does

Her boyfriend looks on  
Clenching his fist  
In love with what my body does

Push-ups go in ones and twos  
As do I for young Miss Blue  
And then up  
And then down  
And so on
