Hey little boy,
What ya thinkin?
What ya hidin
behind those little blue eyes?
Are those little eyes happy?
Well, let me tell you,
it won't last. You'll see.
Are ya feelin loved?
feelin special? feelin needed?
just plain feelin?
Is your little body healthy?
Is your little mind free?
Well, let me tell you,
it won't last. You'll see.
Little boy, ya gonna learn
to hide things deep,
to keep those baby blues
cold and cracked with red
to only speak with your heart
on paper and then only
in measured bursts.
