

Virtual Reality

by TAYLOR SKLENAR

Look at yourself, killing people,
(barely) moving a finger
your heart
so scabbed
Bullets of remorse
 bounce off
but would I expect any more
when a
 whole world
is
 virtual
and
 virtual killing
is
 a hobby

so you sit in a
single room
somewhere in real life
(or shall we call it RL?)
either way it doesn't matter
because it's not a real place {anymore}
so those aren't {real} people
you're
Killing
