

III. ERRATA

1. Soybean Genetics Newsletter 12:82-86. 1985.

T280 was listed as the Genetic Type Collection number for nonfluorescent root mutant *fr5 fr5*. This was an error. The correct T number is T285. See Crop Science 27:62-65, 1987, for the complete description of T285 (*fr5 fr5*). T280 is the correct Genetic Type Collection number for Cl640, a low linolenic acid mutant with the gene symbol *fan*.

2. Soybean Genetics Newsletter 13:176-182.

Measured and predicted yield response of soybeans to simulated acid rain. F. L. Allen and H. L. Bhardwaj. The chart accompanying this article was erroneously excluded, and was printed instead on page 168. The article with chart are reprinted in entirety in this volume on pages 148-155.
