

Song of the Rain
(written in the Indian way)

by

Engl 3

Rain, rain on me
Rain of black cloud Sunday
Rain of summer's jasmine flower
Winter's rain of a chalice white shroud
Rain of blue-black brain
Reticent rain of an autumn warming
Rain of jasmine flowered birth
Rain of warmly carmined earth
Rain of darkly water death
Rain of sun burnt dampened dust
Autumn rain of my son coughing
 for twelve days raining
Bloody rain of a carmine cough
Darkly water rain of twelfth day dying
Black water rain of deathly remain
Rain of rain,
 rain on me.
