Minutes of the 6th Annual Meeting

Iowa State College Veterinary Medical Alumni Association

January 20, 1959

ARTICLE II of the By-Laws of the Iowa State College Veterinary Medical Alumni Association stipulates that there shall be at least one regular business meeting held during the annual convention of the Iowa Veterinary Medical Association at a time and date determined by the Executive Committee. The past success of an alumni luncheon-business meeting at noon of the first day of the Iowa Convention encouraged the Executive Committee to make a similar arrangement for the January meeting of 1959, although it was recognized that a noon meeting on the first day would interfere somewhat with attendance. However, it seemed to be the best available time and 140 veterinary alumni were present. The luncheon was scheduled for 12:00 o'clock and was immediately followed with an address and informal question and answers session by head football coach, Clay Stapleton, of Iowa State College.

The business session was called to order by President B. J. Gray with the explanation that in order to meet the adjournment deadline, so as to not interfere with the scheduled program of the state association, it would be necessary to expedite the handling of matters of business by brevity. This method of procedure was adopted by unanimous consent.

Minutes of the 5th (1958) annual meet-

ing: the minutes of the 5th annual meeting were made available to all members of the Alumni Association through publication in Volume XX, No. 2, 1958, of the *Iowa State College Veterinarian* and with no corrections or additions presented were approved as published.

Report of Executive Committee: The Executive Committee is pleased to report that in addition to its routine responsibilities in the management of the Association all special instructions and authorizations given it at the 1958 business session have been carried out. At a special convocation of the veterinary medical faculty and student body held on June 4, 1958, the Veterinary Medical Alumni Association awards were made as follows:

Burton C. Thompson Award, Stanley J. Harless, Freshman \$100.00

Sophomore and Junior Awards:

Keith C. Cogley, Sophomore \$100.00

Carl H. Graham, Junior \$100.00

George Judisch Sochlarship Award:

Bruce D. Rosenquist, Senior \$25.00

With special reference to the George Judisch Award and the death of Mr. Judisch, the Executive Committee wishes to recommend that this award be continued under the same name and conditions and financed by the Alumni Association as one of its regular contributions to a graduating senior. The regular annual contribution of \$200.00 to the I.S.C. Veterinary Medi-

cal Reading Room and \$100.00 to the A.V.M.A. Research Fund were made and acknowledgments of appreciation have been received. The Executive Committee now recommends that the current money awards be continued in 1959 and that further study be made of possible future awards and activities for the association.

At the meeting of the Executive Committee in Ames on November 6, 1958, there was considerable discussion of a probable need for an increase of 50 cents per year in the subscription rate of the *I.S.C. Veterinarian*. Increased printing costs and other expenses had previously been discussed by representatives of the alumni association and student publication. It would mean an allocation of an additional 50 cents or a total of \$1.50 per member from the alumni association to the *I.S.C. Veterinarian*. This would probably necessitate an increase in alumni association dues from \$2.00 to \$2.50 in order to continue current and future activities. The editorial and business staffs of the student publication are continuing their study of the matter and no specific recommendations have been made at this time. The publication officers were told that the alumni association would cooperate with them in whatever action is deemed advisable. An increase in the alumni association dues to \$2.50 which includes subscription to the *I.S.C. Veterinarian* would necessitate amendment of Article II, Section 1 of the By-Laws which may be amended at any annual meeting by following the stipulation of Article IV of the By-Laws concerning amendments. The Executive Committee requests authority to handle the necessary amendment to the By-Laws if necessary. Such authority was granted by unanimous consent.

Statements for 1959 dues will be mailed in early February and it is hoped all alumni will respond. The record shows that 160 have neglected to pay the 1958 dues which includes subscription to the veterinary student publication, *The Iowa State College Veterinarian*. It should also be remembered that our alumni association supports several scholarships, contributes to the veterinary student reading

room and to the A.V.M.A. research fund. You may be assured that these expenditures are very worthwhile and greatly appreciated by our veterinary students.

There are now 1756 living alumni of the Veterinary Division of Iowa State College and 302 deceased, a total alumni list of 2,058 scattered world wide. Of the 1756 living alumni, 760 have paid their 1958 dues which signifies full membership.

The Auditing Committee has examined the records of the Treasurer, including bank deposits, cancelled vouchers, and bank statements and has found these records correct as stated and recommends the adoption of this report.

Signed: Auditing Committee
Earl A. Hewitt, Chairman
Chester D. Lee

Election of Officers

The Constitution of the Iowa State College Veterinary Medical Alumni Association stipulates that each year there shall be elected a president-elect, a secretary-treasurer and one member of the Executive Committee. The secretary-treasurer shall be chosen from alumni living in Ames. The Nominating Committee recommended the following list of nominees for the several elective offices as follows:

President-Elect J. A. Henderson ('34)
Ankeny, Iowa

Member, Executive Committee C. C. Templeman Jr. ('52) Williams, Iowa

Secretary-Treasurer, H. D. Bergman ('10) Ames, Iowa

Signed: Nominating Committee

D. L. Baker

R. L. Lundvall

R. A. Packer, Chairman

There being no further nominations the report was approved by motion and the nominees declared elected.

The meeting was adjourned by motion at 1:30 p.m.

Signed: **H. D. Bergman**
Secretary-Treasurer

Please send requests for tickets to Kenneth Hook, Homecoming Committee Ticket Chairman, Division of Veterinary Medicine, Ames, Iowa.

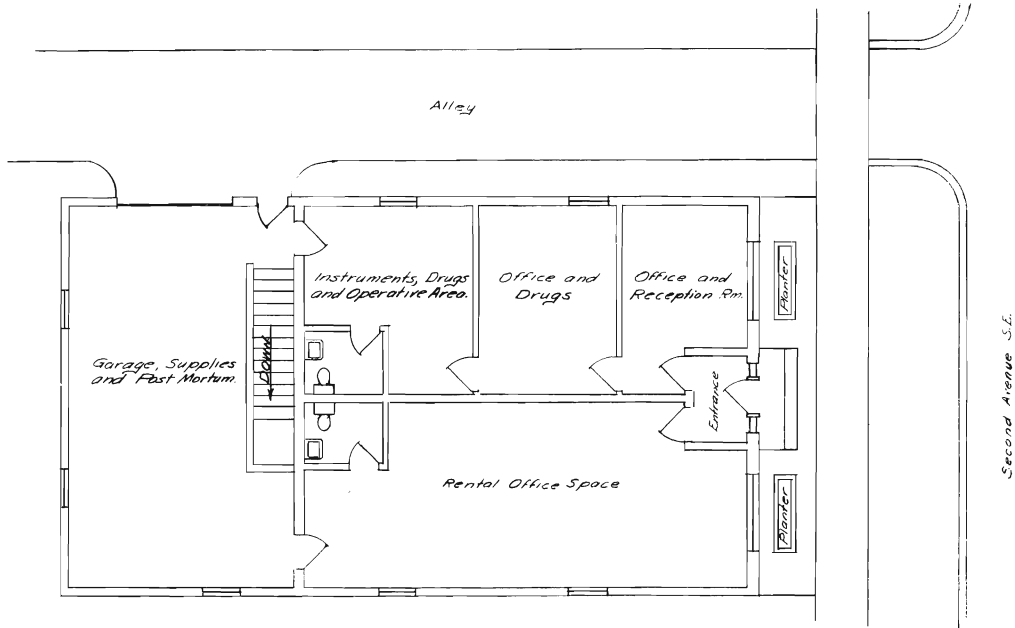

ANNUAL CONFERENCE FOR VETERINARIANS

The Annual Conference for Veterinarians will be held July 14 & 15, 1959, in the Memorial Union. Registration will be from 10-12:00 a.m. on Tuesday, July 14, with the program starting that day at 1:15 p.m. and ending at 3:45 p.m. Wednesday. Dr. C. D. Lee, Extension Poultry Veterinarian, is chairman of the conference committee which is comprised of Dr. Fred Neal, Vet. Med. and Surgery; Dr. Hofstead, Vet. Research Institute; Dr. Pearson, Vet. Med. & Surgery; Dr. Seaton, Diagnostic Lab.; Dr. Hewitt, Vet. Physiology; and Dr. Packer, Vet. Hygiene. The program this year is arranged as a practical clinic for practicing veterinarians with many of the speakers being known authorities on their topic. Some of the topics that will be presented are: "Sheep Diseases," Dr. Neal, Iowa; "Mastitis," Dr. Schalm, Calif.; "Shipping Fever," Dr. H. Hoyt, Minn.; "Rhinotracheitis, Ruminitis, and Liver Abscesses," Dean Rue Jensen, Colo.; "Atrophic Rhinitis and Pig Virus Penumonia," Dr. Young, Nebr.; "Differential Diagnosis of Rhinotracheitis, Mucosal Disease, Viral Diarrhea, and Adenomatosis," Dr. Ramsey, Iowa; "Clinical Pathology of Small Animals," Dr. Schalm, Calif.; "Chronic Infections of Small Animals," Dr. Covault, Iowa; "Chronic Respiratory Disease," Dr. H. Yoder, Iowa. Another feature of this year's conference is closed circuit television demonstrations on sheep, mastitis diagnosis, small and large animal surgery, and trichinosis diagnosis.

This year the wives are encouraged to come with their husbands as a special program for the ladies is being arranged for by the Ames Veterinary Auxilliary. A banquet for the husbands and wives will be held in the Memorial Union, Tuesday evening, July 14, with the guest speaker being Dr. Rue Jensen, Dean of Veterinary Medicine, Colorado State College. He has just returned from a tour of Russia and will speak about Veterinary Medicine in Russia.

VETERINARY CLINIC

Belmond, Iowa

BELMOND VETERINARY CLINIC
FLOOR PLAN
Scale 1"=8'-0"

Dr. Leslie G. Classick, '58, and Dr. Robert E. Misner, '50 were pleased to present the above establishment to the profession. They also invite you to call upon them when you are in the vicinity of Belmond.

The building is constructed of cinder block and concrete making it as nearly fire proof as possible. The building is 65 feet by 35 feet with a full basement except for the garage area.
