Lisa,

Thank you for your request. AASV maintains the library of *Journal of Swine Health & Production* (JSHAP) issues at [www.aasv.org/jshap/issues](http://www.aasv.org/jshap/issues), and the issues and their contents are available for free public access. The Iowa State University Library may provide a **URL link** to Dr. Stalder's publications contained in AASV's JSHAP library, but may not "deposit" or place the JSHAP pdfs into the ISU Digital Repository.

Please contact me if you have any questions.

Thank you,
