

# Into The Trashcan

*By Liba Taub*

*Agronomy, Freshman*

A crumpled Kleenex  
Snot-filled with despair,  
“Fifty percent stronger  
Than the other leading brand,”  
Now tattered, cast aside  
Soon to be replaced  
By the next successor  
In the decorator box.  
My love  
It seems, has found  
Its fate.
