

ALUMNI NEWS

CLASSES OF '07, '16, '25, '34, '43.

A meeting of alumni to complete the organization of an Iowa State College Veterinary Medical Alumni Association will be called for 8 o'clock the evening of Tuesday, January 19, 1954, at the Hotel Fort Des Moines during the annual convention of the Iowa Veterinary Medical Association.

The Organizing Committee will present for consideration at that time a proposed Constitution and By-Laws and the Nominating Committee will recommend a slate of officers to serve for the first year.

Following are the proposed Constitution and By-Laws and the list of officers to be recommended by the Nominating Committee. Opportunity will be given for any other nominations.

CONSTITUTION

ARTICLE I

Name

This association shall be known as the Iowa State College Veterinary Medical Alumni Association.

ARTICLE II

Objectives

The objectives of this association shall be: (1) to further the interests of the alumni and extend the fellowship already existing; (2) to promote interests of the Division of Veterinary Medicine and the profession of veterinary medicine as a whole.

ARTICLE III

Membership

Membership in this association shall include all graduates of the undergraduate curriculum in the Division of Veterinary Medicine, all recipients of a graduate or honorary degree in veterinary medicine granted by the Iowa State College, and all members of the veterinary faculty, past and present.

ARTICLE IV

Officers and Executive Committee

Officers of this association shall consist of a president, a vice-president, a secretary-treasurer and two members elected at the annual business meeting. These five will constitute the Executive Committee, of which the alumni news editor of the Iowa State College Veterinarian shall be an ex officio member. The secretary-treasurer shall be chosen from alumni living in Ames.

Amendments

This constitution may be amended at any regular meeting by a majority vote of the members present, provided that the amendment has been submitted in writing and read at the preceding business meeting.

BY-LAWS

ARTICLE I

Duties of Officers

Sec. 1. The president shall preside at all meetings of the association and perform all duties customarily prescribed for this office.

Sec. 2. The vice-president, in the absence of the president, shall perform the duties of the president's office.

Sec. 3. The secretary-treasurer shall keep the records of all meetings of the association and of

Recommended Slate of Officers

President	Dr. Stanley L. Hendricks, '34, Des Moines, Iowa
Vice-President	Dr. P. V. Neuzil, '20, Blairstown, Iowa
Secretary-Treasurer	Dr. H. D. Bergman, '10, Ames, Iowa
Member Executive Committee	Dr. Burton J. Gray, '43, Fort Dodge, Iowa
Member Executive Committee	Dr. F. E. Brutsman, '40, Traer, Iowa

All Iowa State College Veterinary Medical Alumni are urged to attend this organizational meeting. Wives or other members of the family will also be welcome.

the executive committee. He shall collect dues, have charge of all moneys, and pay all bills upon authorization by the president. He shall make an annual report and provide notice of meetings to all members.

Sec. 4. The executive committee shall assume and have general supervision of the association and act as an advisory board. In the absence of both president and vice-president, they shall appoint a presiding officer.

ARTICLE II

Meetings

There shall be at least one regular business meeting held during the annual convention of the Iowa Veterinary Medical Association at a time and date determined by the executive committee.

ARTICLE III

Dues

Sec. 1. The dues for each member shall be two dollars (\$2.00) per year, payable to the secretary-treasurer, and shall include subscription to the official journal of the veterinary student body, the Iowa State College Veterinarian. The allocation of the annual dues shall be one dollar (\$1.00) to the journal and one dollar (\$1.00) to defray expenses of the alumni association.*

Sec. 2. To be a member in good standing dues must be paid during the current year. Reinstatement may be made upon payment of current dues.

ARTICLE IV

Amendments

The by-laws may be amended at any annual meeting by a majority of the members present, provided the proposed amendment has been submitted in writing to the secretary on or before the first day of the annual meeting.

1953 Homecoming

Alumni were greeted with nice weather, a ham luncheon, and a football triumph as they renewed acquaintances at the 1953 Veterinary Medicine Homecoming on October 17. Over 400 people from 11 different states registered in the Veterinary Quadrangle for the noon luncheon, after which they assembled in a reserved section of Clyde Williams Field for the game. A most successful day was climaxed by a 13 to 6 Cyclone victory over Missouri University.

* Current subscriptions to the Iowa State College Veterinarian will be honored until their expiration, and alumni with such subscriptions should remit only one dollar (\$1.00) as annual dues.

CLASS OF 1907

Dr. Paul P. Taylor is Chief Veterinarian, Portland Bureau of Health, in charge of city meat inspection, rabies control and inspection of cattle in a raw milk dairy. His address is Box 167, Oregon City, Oregon. Dr. Taylor was with the U.S. Bureau of Animal Industry from 1907 to 1944, and the Portland Bureau of Health from 1946 to date. Dr. Leslie Proctor is a large and small animal practitioner and resides at 820 N. Frederick, Oelwein, Iowa. He was president of the Iowa V.M.A., 1953, and is a trustee in the Presbyterian Church. Dr. and Mrs. Proctor have four children, Janann Lee, 17, enrolled in nurses' training at the University of Iowa; Ted Lee, 16; Doris Dee, 13, and Jon Bob, 3.

Dr. Edward E. Thompson is in general practice and resides at Fort Lewis, Salem, Va. He has a 25 compartment hospital for small animals and has plans for a large animal hospital in conjunction. He was in tuberculosis and brucellosis control field work with the B.D.I. in Virginia and Oklahoma from 1934 to 1936; in practice in Virginia from 1936 to 1941; with the U. S. Army from 1941 to 1946. He was discharged from the Army as a major in 1946 and reentered practice in Virginia. He is Councilman, College Lutheran Church, Salem; President, Rotary Club of Salem; Councilor, Boy Scouts; and active in the local Chamber of Commerce. He is a member of the Committee on Ethics and a member of the committee for coordinating work of veterinarians and extension workers. Dr. and Mrs. Thompson have three children, Ted, 16, Bob, 6, and Ginger, 5.

Dr. Dirk Hessing is in general practice at Oskaloosa, Iowa, and resides at 901 Pennsylvania Blvd. He was formerly at Bussey for three years, at Fremont three years, and at Oskaloosa, 10 years. He is secretary of the Oskaloosa Inter-Church Council.

Dr. Gerald H. Long is in general practice at Mt. Sterling, Ill., where he has been since graduation. He has a small animal hospital and office in connection with general practice. He is a member and president of the school board; Superintendent of Sunday school; and is listed in Methodist "Who's Who." He is a member of the Optimist Club, A.V.M.A., Illinois V.M.A., Central Illinois V.M.A. and Illinois Public Health Association. He conducts a laboratory for Bang's testing. Dr. and Mrs. Long have four children, Geraldine, 17, who plans to enter Iowa State College, Division of Home Economics next year; Benjamin, 15; Marcellus, 12; and Justine, 8.

Dr. Robert C. Stewart is in general practice at Lamont, Iowa, where he has been since graduation. He is a past president, Lamont Commercial Club; Mayor of Lamont, four terms; Council member,

three terms; Worthy Patron, Order of the Eastern Star; Scout Executive; and Official, Board of Methodist Church. He is a past vice-president, Eastern Iowa Veterinary Association; past president, East Central Veterinary Association in Iowa; and past president and past secretary, Fayette County Veterinary Association. Dr. and Mrs. Stewart have two children, Janet, 11, and Nancy, 5½.

Dr. Roger P. Link is a teacher of Veterinary Physiology and Pharmacology, College of Veterinary Medicine, University of Illinois, Urbana, Ill. Dr. Link was formerly at Michigan State College from 1934 to 1935 and at Kansas State College from 1935 to 1946. He is Chairman, A.V.M.A. Committee on Therapeutic Agents; Member, U.S.D.A. Committee on Nomenclature of Insecticides and Pesticides; and Chairman, Illinois Veterinary Medical Association Committee on Nutrition. Dr. and Mrs. Link have one son, Ronald, 13.

Dr. Melvin W. Osburn is an Extension Veterinarian at Kansas State College and resides at 1525 Humboldt, Manhattan, Kan. He was formerly in general practice at Independence, Iowa, from 1934 to 1950. He was a member of the city council of Independence for four years; District Chairman, Boy Scouts of America, four years; President, Independence Rotary Club; and Board of Directors, Independence Chamber of Commerce. Dr. and Mrs. Osburn have three children, Benny I., 16, Marilyn H., 15, and Wenona G., 7.

Dr. Russell W. Gerry is in small animal practice and resides at 11723 Ventura Blvd., Studio City, Calif. He owns and operates a 100 capacity modern hospital. He was formerly located at Sherman Oaks, West Hollywood, and Santa Monica, all in the Los Angeles area. He is a member of the Rotary Club and is active in Boy Scout work. Dr. and Mrs. Gerry have two children, Douglas, 14, and Donna Mae, 6.

Dr. Basil K. Swink is in general practice at Ceylon, Minn. He was formerly at

Dr. L. C. Payne, Dr. L. Lemonds, '49, Mrs. Lemonds, and Mrs. Payne chat at the 1953 Homecoming luncheon held on October 17.

Bemidji, Minn., and was with the U. S. Bureau of Animal Industry from 1936 to 1942. Dr. and Mrs. Swink have two children, Gay Ann, 18, and John Minor, 5.

Dr. D. F. Eveleth is with the Agricultural Experiment Station as Chairman of the Department of Veterinary Science in Fargo, N. D. He resides at 1132, 3rd St. North. He was at Ames, Iowa, in 1934; Davis, Calif., 1935; Ames, Iowa, 1935 to 1939; Fayetteville, Ark., 1939 to 1943; and Fargo from 1943 to the present time. Dr. Eveleth is Secretary-treasurer of the North Dakota Veterinary Medical Association. Dr. and Mrs. Eveleth have three children, Frances Klette, 20; George John, 18; and Anita Louise, 16.

Dr. J. A. Henderson is in general practice at Ankeny, Iowa, where he has been since 1934. He is a past president of the Lions Club; past City Council member; past member of the Executive Board, I.V.M.A.; past president, Central Iowa Veterinary Association. Dr. and Mrs.

Henderson have two children, Barbara Ann, 15, and Julie Jane, 13.

Dr. D. N. Werring is in field work for the U. S. Bureau of Animal Industry and lives in Brainerd, Minn. He was formerly located in St. Paul, Minn.

Dr. Bertram V. Allen is in small animal practice at Fort Wayne, Ind., and resides at 5026 Decatur Road. He has a hospital, built in 1947, with offices for two veterinarians. Dr. Allen spent two years with the U. S. Bureau of Animal Industry and three and one-half years in the Army Air Force Veterinary Service. He is a past president and past secretary, Northeast Indiana Veterinary Association and a member of the Fort Wayne and Allen County Humane Commission. Dr. and Mrs. Allen have one son, Robert D. Allen, D.D.S., Orthodontist, who is married and has two children.

Dr. Roger M. Cocking is in general practice at Colorado Springs, Colo., and

resides at 219 W. Cheyenne Road. He was formerly an instructor of veterinary anatomy at Iowa State College and in general practice at Monona, Iowa. Dr. Cocking is Assistant Superintendent, Christian Home for Children, Inc., Colorado Springs. Dr. and Mrs. Cocking have four children, Jim, 18; Beth, 11; Paul, 5; and Dorothy Nan, 1.

Dr. Stanley L. Hendricks is Public Health Veterinarian, Iowa State Department of Health, and resides at 2924 Rutland Avenue, Des Moines, Iowa. He was formerly with the U. S. Bureau of Animal Industry in Tennessee and Wisconsin; Milwaukee Health Department; and the U. S. Army Veterinary Corps from 1941 to 1946. Dr. and Mrs. Hendricks have three children, Robert, 8, Judith, 6, and Thomas, 1.

Dr. John K. Allen instructs students and cares for animals at the California State Polytechnic College. He resides at 1343 Mill St., San Luis Obispo, Calif. Dr. Allen was formerly in the Army and in practice in Harlan, Iowa, until going to California last year. Dr. and Mrs. Allen have two children, Judith, 15, and Martha Louise, 5.

Dr. Donald C. Osburn is in general practice at Auburn, Iowa. He was formerly in Lake View from 1934 to 1936. Dr. Osburn has been a member of the Town Council, Fire Chief, charter member of the Lion's Club, member of the building committee for the Community Building and chairman of the building committee for the Presbyterian Church. Dr. and Mrs. Osburn have three children, J. Wyatt, 17; Ruth Kea, 13; and Toni Jo, 6.

CLASS OF 1943

Dr. R. D. Mackereth is in general practice at Annandale, Minn. Dr. and Mrs. Mackereth have five children, Dale, 8; Jon, 7; George, 5; Janet, 3; and Allan, 1.

Dr. H. J. Ruebke is in general practice at Ada, Minn. Since graduation he has been in practice at Wadena, Minn.; on the

faculty of Iowa State College; and on the faculty of Texas A. and M. He is Secretary-Treasurer of the Lake Region Veterinary Association and gave a talk last January at the Minnesota State Veterinary Medical Society meeting on "Clinical Diagnosis and Control of Anthrax." Dr. Ruebke earned his M.S. degree at Iowa State College in 1950. Dr. and Mrs. Ruebke have a daughter, Linda Lou, 3.

Dr. Gilbert Sundrelin Jackson is in general practice and resides at 1120 Main, Santa Paula, Calif. He plans to build a small animal hospital "as soon as the Army stops breathing down our necks." He formerly was in practice at Buffalo, Minn.; pathologist, Los Angeles County Livestock Department; and in practice at Santa Paula. He is a member of the Board of Directors, Kiwanis, and Director of the Blood Bank for the Armed Forces. Dr. and Mrs. Jackson have four children, Susan, 6; Tom, 5; Doug, 3½; and Brant, 1.

Dr. Philip E. Smith is a salesman and field representative of Allied Laboratories with his office in the Ames Veterinary Supply, Ames, Iowa. He resides at 425 Pearson Avenue, Ames, Iowa. Dr. Smith was in the Army three years before employment by Allied Laboratories. Dr. and Mrs. Smith have three children, Lora Joanne, 5; Debbie, 3½; and Philip, 2.

Dr. J. W. Albrecht is in general practice at Princeton, Ill., where he has been since graduation. He has a small and large animal hospital in partnership with Dr. H. F. March. He is a member of the executive board of the Mississippi Valley V.M.A. Dr. Albrecht has two children, Joann, 7, and Judy, 5. Dr. Albrecht's wife, Ann (Williams) died Dec. 19, 1952.

Dr. Robert A. Eninger is in general practice at Royal, Iowa. He was located at Lake Park, Iowa, from graduation until August, 1942, at which time he went to Royal. He is a member of the town council. Dr. and Mrs. Eninger have two children, Larry, 3, and Dianne, 5.

Enjoying the 1953 Homecoming luncheon are Dr. and Mrs. D. N. Voetberg, '27, (left) and Dr. and Mrs. E. A. Benbrook.

Dr. D. W. Rawson is in large animal practice at Milledgeville, Ill., where he has been since graduation. He has been associated in practice with Dr. W. M. Specht the past year. Dr. Rawson is a member of the Village Board and the School Board. He has a new hospital, completed this year, equipped for both large and small animals. Dr. and Mrs. Rawson have five children, Chester Leigh, 10; Marilyn, 7; Sue Ellen, 5; Thomas, 3; and Julia Ann, 6 months.

Dr. V. D. Ladwig is in general practice at Sac City, Iowa, where he has been located since graduation. He is associated in practice with Dr. E. R. Truax, '15. They remodeled a building several years ago with post-mortem rooms and kennels. They also do some of their own poultry bacteriology work. Dr. Ladwig is a member of the Masonic lodge and does church and scouting work. He is also a past president of the Coon Valley Veterinary Association. Dr. and Mrs. Ladwig have three children, John, 6, Nancy, 4, and Janet, 1½.

Dr. Robert E. Savage is in large and small animal practice at Monticello, Iowa, where he has been since graduation except for two and one-half years in the Veterinary Corps, from 1943 to 1946. His address is 200 S. Chestnut St. He recently moved from a downtown office to a new office built onto his home. Dr. Savage is a member of the Rotary Club; on the Board of Deacons, Congregational Church; past president of the Jones County Young Republicans and the East Central Iowa Veterinary Association; and at present trustee of the latter organization. Dr. and Mrs. Savage have three children, David, 7, Susan, 6, and John, 5.

Dr. Wendell J. Kopp is in mixed practice at Lenox, Iowa. He erected a new office and small animal hospital in the spring of 1952. Dr. Kopp was in the U. S. Army from graduation until October, 1946; in small animal practice, Indianapolis, Ind., from October, 1946, to November, 1949; and at Lenox from November, 1949, to the present time. He is Director of Lenox Independent School District; Secretary of Lenox Development

Corporation; member of the Official Board of Methodist Church; and member, Lenox Rotary Club. Dr. and Mrs. Kopp have two children, Joyce, 3, and Janis, 5.

Dr. J. W. Thornton is a large animal practitioner at Walcott, Iowa. He was at Huxley, Iowa, for two years following graduation and has been at Walcott since that time. He has been school director for both local and county boards. Dr. and Mrs. Thornton have three children, Kent, 9, Jimmie, 6, and Kay, 18 months.

Dr. Philip C. Peterson is in general practice at Paullina, Iowa, where he has been located since graduation. He is a past president of the Lions Club. Dr. and Mrs. Peterson have four children, Jim, 8; Priscilla, 6; Chipper, 3; and Sarah, 6 months.

Dr. Wm. M. Lynch is a field veterinarian with Allied Laboratories, Inc., and resides at 2921 Center Point Road, Cedar Rapids, Iowa. He was in general practice at Roland, Iowa, from 1944 to 1945 and has been with Allied Laboratories since 1945. He is Treasurer, Eastern Iowa Veterinary Association and President, Class of Veterinary Medicine, '43, Alumni Association. Dr. and Mrs. Lynch have three children, Kevin, 5; Stephen, 8; and Dick, 11.

Dr. Melvin W. Karber is in general practice, with a great deal of small animal work, at Grant Junction, Iowa. He is starting a mink ranch and has 260 at the present time. Dr. Karber was at Slater, Iowa, for one month following graduation, three years in the Army, and at Grand Junction since that time. He is a member of the Town Council and Lions Club and does Masonic work. Dr. and Mrs. Karber have three children, Penelope Ann, 6½, Steven Michael, 4, and Kriss Henry, 2½ months.

Dr. Thomas B. Ludgate is in large animal practice at Flandreau, S. D., where he has been since graduation. Dr. and Mrs. Ludgate have two children, Janice Kay, 6, and John Thomas, 6 months.

Dr. Erie Albert Schweim is in general practice at Pipestone, Minn., in partnership with Dr. P. A. Pinkert, '49. They own and operate the Pipestone Veterinary Clinic under the firm name of Schweim and Pinkert. He was formerly at Storden, Minn., from 1943 to 1944 and has been at Pipestone since that time. Dr. and Mrs. Schweim have three children, Barry, 8, Barbara, 4, and Steven, 1½.

Dr. Edward J. Foley is in large animal practice at Wood Lake, Minn., where he has been located since graduation. He is a member of the Village Council and an officer of the Commercial Club. Dr. and Mrs. Foley have two children, John, 9, and Michael, 8.

Dr. Lester E. Fisher is in small animal practice and maintains a hospital at 2823 S. Harlem Avenue, Berwyn, Ill. He also works part-time at the Lincoln Park Zoo, Chicago. He is a member of the Board of Governors, Chicago Veterinary Society. Dr. and Mrs. Fisher have one child, Jane, 3.

Dr. Marvin H. Westerfeldt is in general practice and maintains a hospital for small animals. He resides at 45 West Avenue, Mauston, Wis. Dr. Westerfeldt served in the army as a captain until 1947 and has been located in Mauston since that time. Dr. and Mrs. Westerfeldt have one child, Chris, 13 months.

Dr. R. C. Brager is in small animal practice and operates a small animal hospital. He resides at 6012 Calumet Avenue, Hammond, Ind. He was formerly an assistant at the Springfield Veterinary Hospital, Springfield, Mo., for two years; three and one-half years in the Veterinary Corps; and about two years Assistant State Veterinarian, state of Ohio. He has held offices in the First Presbyterian Church and the American Legion, Post 16 of Hammond. Dr. Brager is a member of the Chicago Veterinary Medical Association, A.V.M.A. and Indiana V.M.A. Dr. and Mrs. Brager have three children, John, 6, Jeffrey, 4, and Betsy, 1.

Standing in a semi-circle in the Veterinary Quadrangle are six members of the Class of 1951: Dr. W. W. Cook, Dr. Dale W. Clausen, Dr. Jack Stream, Dr. D. H. Perkins, Dr. G. E. Schoel and Dr. R. C. Bunge.

Dr. E. R. Henning is in general practice at Breda, Iowa. He was formerly located at Albany, Mo. He is President-elect of the North Central Veterinary Association. Dr. and Mrs. Henning have three children, Kay, 8, Nancy, 7, and Joyce, 2½.

Dr. Ernest Kenneth Bicek is in general practice, predominantly swine and beef cattle, at Tracy, Minn., where he has been since graduation. He resides at 201 Craig Avenue. He plans to build a home and office with drug space combined. Dr. Bicek has a two-way car radio, which he finds a real asset to his practice. Dr. and Mrs. Bicek have four children, Kenneth Robert, 5½; Charles Dean 3½; and twins, David Ernest and Diane Elaine, 15 months.

Dr. Floyd William Thompson, Jr., is engaged in the production of hog cholera serum for Allied Laboratories, Inc., at Sioux City, Iowa. He resides at 2927 Douglas Street, Sioux City. Dr. Thomp-

son served three and one-half years in the U. S. Army, was in general practice at Des Moines, Iowa, for one year and has been with Allied Laboratories Inc., for six years.

Dr. Robert C. Wahl is in general practice at Sibley, Iowa, and resides at 955 4th Avenue. He served in the U. S. Army from 1943 to 1946, and has been at Sibley since that time. Dr. Wahl completed a new office building in June, 1953. He is now in partnership with Dr. W. W. Herrman, '50. Dr. Wahl is a member of the School Board. Dr. and Mrs. Wahl have three children, Kathryn Lynn, 7, Margaret Louise, 4, and Robert Charles, Jr., 6 weeks.

Dr. David J. Fruit is in general practice at Merton, Wis. Dr. Fruit served in the U. S. Army before establishing his practice at Merton. He is a member of the Board of Directors, Waukesha County Y.M.C.A. Dr. and Mrs. Fruit have three children, Jimmy, 7, Kenny, 5, and Bobby, 3.

Dr. Ray F. Reppert is in general practice at Pender, Neb., in partnership with Dr. V. E. Lovell. Dr. Reppert has been located at Pender since graduation. They plan to have a new hospital completed in December, which will be known as the Pender Veterinary Clinic. Dr. and Mrs. Reppert have two children, Steven M., 7, and James F., 5.

Dr. Jack M. Jones is in general practice at Milford, Iowa, where he has been since graduation. He is Chairman, Board of Trustees, Union Memorial Church, which is in the process of constructing a new church. He is Vice-president, Lakes Veterinary Association. Dr. Jones raises purebred Hampshire swine and is Director from Northwest Iowa for Iowa Hampshire Swine Breeders Association. Dr. and Mrs. Jones have two children, Jenny Lee, 5, and Jack Wesley, 3.

Dr. A. Mack Scott is a small animal practitioner and resides at 264 Claiborne Dr., Long Beach, 7, Calif. He operates the Uptown Animal Hospital at 3350 Atlantic, Long Beach. He is a member of the American Animal Hospital Association since he bought the present hospital. Dr. Scott was formerly located at Hollywood, Calif., from 1944 to 1951. He is a past president of the Southern California Veterinary Medical Association and 3rd Vice-president of the California State Veterinary Medical Association. Dr. and Mrs. Scott have one child, Cheryl Diane, 21 months.

Dr. Harold H. Rohwer is in general practice at Park Rapids, Minn., and resides on So. Forest Avenue. He has a hospital with 17 kennels and concrete outside runs. From 1943 to 1949, he was Plant Superintendent, Fort Dodge Laboratories, Fort Dodge, Iowa, and since 1949 has been located at Park Rapids. He is President of the Quarterback Club and past president of the Sportman's Club. He is also Director, Lake Regions Veterinary Medical Association. Dr. and Mrs. Rohwer have four children, Jack, 20; Jill, 20; Tom, 17; and Betty Jo, 9.

Dr. Robert F. Schneider is in general practice at Postville, Iowa, where he has been since graduation. Dr. and Mrs. Schneider have two children, Allen R., 6, and Robert F., 4.

Dr. Leonard M. Skamser is in commercial work with Federal Laboratories in New York City. He resides at 15 Turn Lane, Levittown, N. Y. He was in general practice at Litchfield, Minn., from 1943 to 1951. Dr. and Mrs. Skamser have one son, John Richard, 9.

Dr. G. J. Olson has a mixed practice at Detroit Lakes, Minn., where he has been since graduation. He resides at 1214 Lake Avenue. Dr. Olson has had a hospital for the past three years and also serves as City Dairy Inspector. Dr. and Mrs. Olson have two children, Cathie Ann, 9, and Jarl, 5.

Dr. James K. Hill is in general practice at Titonka, Iowa. He was formerly located at Dallas Center and Adel, Iowa. He served two years as an officer in the Veterinary Corps in the China-Burma-India theater. Dr. Hill is President-elect of the Upper Iowa Veterinary Association. Dr. and Mrs. Hill have three children, James Karry, 10, Larry David, 10, and Robbin Forsyth, 7 months.

Dr. O. P. Idsvoog is in general practice at Norwood, Minn. His hospital, completed in 1950, is located next door to his home and consists of a waiting room, a drug room, an operating room, a garage and a small kennel room. Dr. and Mrs. Idsvoog have three children, Oris Philip, Jr., 7; Peter Bruce, 5; and Karl Arthur, 2.

Dr. Eldon J. Janson is in general practice at Gravity, Iowa, where he has been located since graduation. He is Mayor of the town, President of the School Board and Legion Commander. Dr. and Mrs. Janson have three children, Dick, 8, Robert, 6, and Jeanne, 5.

Dr. Wayne Howard Thompson is in general practice at Earlville, Iowa, where he

has been since graduation. He was Mayor of Earlville for five years, is Vice-president of the School Board, a member of the Business Men's Association and a member of the Community Club. He is Secretary, Eastern Iowa Veterinary Association and past secretary of the East Central Iowa Veterinary Association. To **Dr. and Mrs. Lee Allenstein**, White-water, Wis., a son, Scot Eric, Oct. 7, 1953.

A helpful aid in differentiation of infectious canine hepatitis from distemper is the use of 50 percent dextrose administered intravenously. If it is infectious canine hepatitis, the animal will show some improvement within a few hours and then lapse back into the previous state. With distemper there is no change.
