

Featured Veterinary Clinic

This modern veterinary hospital owned by Dr. Paul K Dougan, ISU '49, is located in Ankeny, Iowa. The hospital has a waiting room and private office as well as areas for out patients, pharmacy, small animal surgery, laboratory, kennel and large animal handling. The large animal

portion features convenient aluminum gates and partitions for dividing the area.

The building has double wall construction to eliminate condensation. The building is 28 by 68 feet, with a basement under the front part only.
