Jim Jones Roller Derby_____

Better yet, prove you're not Mel Torme's
dentures. Ric Flair: religious leader from Charlotte,
Guianese Kool-aid deluxe, figure-four leg-lock. Chomp
chomp chomping. Veteran's
hospital, silverfish wing, specialty amputees. How
my husband screwed
the pizza boy, name and address withheld.
Retail parade:
Martian chaos
sandwiches and poetry, monkey tree
carpet service.
Serve this cult
dilemma, age-old,
which is spiritually superior, frogs or
Aryans? triplet roll,
dropped the sticks,
dentures,
no whammies! For chrissake.
