

2nd Annual Ames Forester Pool Tourney

By: Charlie Litchfield

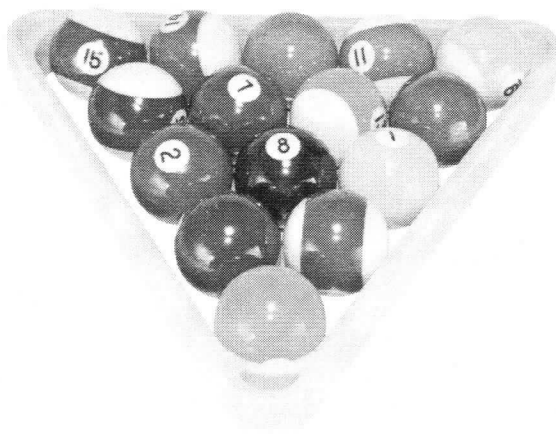

On Friday November 15th the *Ames Forester* Staff held its second annual billiards tournament, at the Memorial Union Recreation Center. The main goal of this event was to generate funds, which would be used mostly towards the production of this year's *Forester*. Viewed as a large success, the tournament hosted around 50 participants who helped the *Forester* raise roughly 200 dollars. Thanks to many local Ames area businesses, participants had the opportunity to receive door prizes, which were distributed randomly throughout the night. Prizes were also awarded to the champions of both the doubles and singles brackets.

Chris Gillbaugh this year's Singles Champion proudly displays his new pool cue, which was donated by K.D. Billiard and Dart Supply.

Andy Hockensen, Walker Wearne, Unknown Pool Shark, and Zach Kreiss-doubles finalists.
