

## The Floor

Caitlyn Warner

has no expectations  
for freshly washed  
shirts and bras  
or neat bed sheets

makes no promises  
for lunch on the terrace  
or movie night with  
homemade brownies

has no eyes to see  
running mascara  
or frizzy curls  
escaping ponytails

has no tongue to say  
the new black dress  
hanging in the closet  
is a wasted paycheck
