Dear Cynthia,

I work for the Iowa State University Library and I have been working with Dr. Megan J. Myers to get their scholarship deposited in our institutional repository, Iowa State University Digital Repository. Dr. Myers is a contributing author to the below publications, and I am writing for permission to deposit portions of their work in our repository.

Myers, M.J., "A la orilla del mar: Sirena Selena vestida de pena y el espacio-sonido caribeño." *Chasqui: Revista de literatura latinoamericana* 48.2 (2019): 190-206. <https://chasquirll.org/chasqui-48-2-november-2019/>

Iowa State University Digital Repository is a non-commercial institutional repository that provides access to the scholarship of Iowa State University's faculty, students and staff. This scholarship is made available for personal, educational and research use. All publications deposited in the repository are described with complete bibliographic information for the original publication and includes an explicit statement identifying the date and owner of copyright.

Please let me know if we have permission to deposit their publications in our repository. I look forward to hearing from you.

Cheers,

Lorrie Smith
