

## THE TV LADY

She wore two blue stocking hats  
Pointed and Tall.  
Like a dwarf she hunched  
Into the theatre TV chair,  
Sipping coke,  
Flipping thru the guide,  
Alternately caressing the rubber boot  
She tossed over her left knee for a table.  
Her eyes followed scratching blue jeans down the aisle.  
“One Life To Live” wasn’t exciting enough for her.
