

## ALUMNI NEWS

•  
**Dr. George A. Evans**, '20, is conducting a large animal practice at Clarion, Iowa.

•  
**Dr. G. W. McNutt**, '17, is conducting a small animal hospital in Seattle, Washington.

•  
**Dr. A. R. Menary**, '10, is practicing at Cedar Rapids, Iowa.

•  
**Dr. Jay C. Hicks**, '20, is practicing in Tucson, Arizona. Dr. Hicks, who is an ardent fisherman, deplors the fact that with the numerous veterinary publications containing so many assorted subjects none ever mention where the fish are biting.

•  
**Dr. H. D. Perry**, '31, is engaged in practice at Yankton, South Dakota.

•  
**Dr. G. W. Blanche**, '02, is conducting a small animal hospital in Glendale, California.

•  
**Dr. W. C. Glenney**, '36, who is engaged in practice in Elgin, Illinois, has a brother Merle Glenney, who is now enrolled in the pre-veterinary course at Iowa State.

•  
**Dr. Lowell Osborn**, '38, has notified us of his change in address. He had been engaged in practice with Dr. Zupp of Blooming Prairie, Minnesota, and is now with his uncle, Dr. F. C. Osborn, in La Sueur, Minnesota. His uncle is convalescing from a streptococic infection.

•  
**Dr. E. L. Fitch**, '16, is engaged in a small animal practice in Minneapolis, Minnesota. His son Velman, who desires to follow in his father's footsteps, plans to enter Iowa State College upon finishing high school.

•  
**Dr. F. C. Milleson**, '22, is engaged in small animal practice in Portland, Oregon.

•  
**Dr. G. M. Simmons**, '25, is located in San Francisco, California, where he has a small animal practice.

•  
**Dr. R. T. (Bud) Coe**, captain of the 1925 Cyclone football team, was elected mayor of Belmond, Iowa, recently. Dr. Coe, whose home was in Ames, graduated from Iowa State in veterinary medicine in 1927.

•  
**Dr. R. M. Cocking**, '34, is practicing at Monona, Iowa. Dr. Cocking was assistant professor of anatomy here at Iowa State for several years following his graduation.

•  
**Dr. Roy E. Brown**, who graduated from the veterinary college at Iowa State in 1911 and obtained an M. S. degree at Kansas State in 1914, is practicing at Colorado Springs, Colorado. His son, Homer, is studying Veterinary Medicine at Colorado State.

•  
**Dr. J. C. Carey**, '19, of West Liberty, Iowa, was one of the speakers at the Minnesota meeting. His subject was "Surgery of Cattle as Met With in Practice." Dr. Carey's son, John W. Carey, is a sophomore in the Veterinary Division here at Iowa State.

•  
**Dr. Louis E. Stanton**, '25, is located at Jackson, Minnesota.

•  
**Dr. Robert F. Estes**, '33, is practicing at Orange, Virginia.

•  
**Dr. M. C. Hawn**, '27, is located at Fargo, North Dakota.

•  
**Dr. D. D. Baker**, '23, of Wabash, Indiana, was elected president of the Indiana state Veterinary Association in January. Dr. L. W. Fox, '16, of Algona, Iowa, was one of the principal speakers.

**Dr. R. M. Scott**, '38, Poynette, Wisconsin and Miss Harriett Olinger of Maxwell, Iowa, were married at Maxwell, February 11 of this year.

**Dr. Guy Jones**, '18, was elected president-elect and Dr. C. J. Scott, '08, was reelected secretary-treasurer at the Iowa meeting in Des Moines.

**Dr. C. W. Likely**, '15, is practicing at Boone, Iowa.

**Dr. O. B. Neely**, '24, is located at Union City, Tennessee.

**Dr. E. Fischer**, '21, is located at Orange City, Iowa. His son, Bob, is a member of the junior veterinary class at Iowa State.

**Dr. H. L. McMillan**, '15, is practicing at Estherville, Iowa.

**Dr. Robert A. Merrill**, '26, is located at Clara City, Minnesota.

**Dr. R. E. Weber**, '29, is practicing at Bancroft, Iowa.

**Dr. Walter H. Martin**, '03, is practicing at El Reno, Oklahoma.

**Dr. A. J. Steiner**, '18, is located at Lexington, Kentucky, where he is engaged in small animal practice.

**Dr. Edward D. Smith**, '29, is located at East Troy, Wisconsin.

**Dr. B. F. Lott**, '31, is located at York, Nebraska.

**Dr. D. W. Hurst**, '08, is located at Tecumseh, Nebraska.

**Dr. L. A. Dykstra**, '37, spoke on "Conditions in Cattle Contributing to Plant Poisoning" at the Illinois state meeting.

**Dr. Vernon B. Overman**, '28, is located at Lynn, Indiana.

**Dr. C. C. Harrison**, '21, is engaged in practice at Waukon, Iowa.

**Dr. C. R. Collins**, '28, is engaged in practice at Osceola, Nebr.

**Dr. C. R. Donham**, '21, professor of Veterinary Medicine at Ohio State University, was one of the principal speakers at the Illinois state meeting. His subject was "Veterinary Medical Organizations."

**Dr. F. Thorp**, '26, is secretary of the Iowa State alumni at Fort Collins, Colorado.

**Dr. Roger C. Scott**, '38, son of Dr. C. J. Scott, '08, Knoxville, is now serving with the U. S. B. A. I., at Jonesboro, Arkansas.

**Dr. T. A. Dermody**, '32, and Miss Bernice Bruning of Breda, Iowa, were married January 10. Dr. and Mrs. Dermody spent four weeks in California on their honeymoon.

Iowa State alumni played a conspicuous part in conducting the business of the Minnesota meeting. Chairmen of these various committees were: **Dr. R. L. West**, '36, Colleges; **Dr. Carl Hansen**, '21, Public Relations; **Dr. D. L. Halver**, '22, Resolutions; **Dr. R. A. Merrill**, '26, Legislation.

**Dr. E. T. Anderson**, '37, recently located in Kewanee, Illinois, doing general practice.

**Dr. J. H. Yarborough**, '23, is located at Miami, Florida.

**Dr. Harold E. Wicker**, '32, is practicing at Stratford, Wisconsin.

**Dr. Donald B. Palmer**, '11, is located at Wayzata, Minnesota.

## Class of '35 Writes Round-Robin Letter

One of the most interesting letters received from the alumni was that written by Dr. A. G. Karlson, a member of the class of 1935. His class was small, and following graduation the members have followed the scheme of writing round-robin letters in order to keep each one informed as to the whereabouts and doings of the others. Dr. Karlson has supplied us with news about his classmates as follows:

**Dr. Wm. H. Bassett**, of Omaha, Nebraska, is doing meat inspection work with the B. A. I. He was married in January, 1938, to a nurse who attended him when he had an appendectomy.

**Dr. Carl F. Brenner** is engaged in private practice in Webster Grove, Missouri. Dr. Brenner recently remodeled a house for a small animal hospital.

**Dr. J. C. Kaiser** has moved back to Rockwell, Iowa, to resume his practice there.

**Dr. Brooks Keith** is engaged in private practice at Marshfield, Oregon.

**Dr. A. G. Karlson**, author of the letter, is at present engaged in work in Comparative Pathology at the Mayo Foundation, Rochester, Minnesota. Dr. Karlson will go to the Division of Veterinary Medicine at the University of Minnesota, after July 1 of this year. He was married in June, 1938.

**Dr. G. W. Mather**, Boston, Massachusetts, is a veterinarian at the Angel Memorial Animal Hospital and also conducts a private practice. He was married in January, 1938.

**Dr. C. P. Meredith** is in partnership with his father conducting a general practice in Joplin, Missouri.

**Dr. O. O. Mosby** is in general practice at Northwood, Iowa.

**Dr. Carlos T. Rosenbusch**, Buenos Aires, Argentina, recently returned to his native country after completing work

for his Ph. D. Dr. Rosenbusch is engaged to Jeannette Richardson, daughter of Dr. Richardson, of Ames, Iowa.

**Dr. John Ryan** is engaged in general practice in Sapulpa, Oklahoma.

**Dr. I. A. Taylor** is practicing at Dorard, Wisconsin.

**Dr. Walter Venske** is teaching in the Anatomy Department at Ames, Iowa.

**Dr. Yoshio Yamashiro** is located in Honolulu, Hawaii.

**Dr. C. Waller** is engaged in general practice at Winnsboro, Louisiana.

**Attends Meeting**

Dr. H. L. Foust, Professor of Veterinary Anatomy, left Sunday, April 2, for Boston, Massachusetts, where he attended the annual American Anatomy Association meeting. On his return trip, Dr. Foust stopped at Chicago to do some research work concerning "Inherited Eye Defects of Guinea Pigs". The trip took two weeks.

**X-RAY—**

*(Continued from Page 89)*

main factors which applied to Veterinary Medicine. Its efficacy, especially in small animal medicine, has been proven in many different instances, and the field for its use is still wide and varied in its scope.
