Dear Scott,

You are authorized to do so.

By the way, do you have budget to support the publishing in our golden open access journals (Engineered Science, ES Materials & Manufacturing, ES Energy & Environment, and ES Food & Agroforestry) from the faculty members from university?

Thank you very much.

Miss Mina Huang
Journal Coordinator.

Dear Permissions Specialist:

I work for the Iowa State University Library, and I have been working with Dr. Kejin Wang to get their scholarship deposited in our institutional repository, Iowa State University Digital Repository. Dr. Wang is a contributing author to the below publications, and I am writing for permission to deposit portions of their work in our repository.

- W. Dong, W. Li, K. Vessalas and K. Wang, "Mechanical and Conductive Properties of Smart Cementitious Composites with Conductive Rubber Crumbs", ES Materials & Manufacturing, 7(2020) 51-63, DOI: 10.30919/esmm5f711
- W. Li, Z. Tang, V.W. Y. Tam, X. Zhao, and K. Wang, "A review on durability of alkali-activated system from sustainable construction materials to engineering infrastructures", ES Materials & Manufacturing, March 2019, DOI: 10.30919/esmm5f 204

Iowa State University Digital Repository is a non-commercial institutional repository that provides access to the scholarship of Iowa State University's faculty, students, and staff. This scholarship is made available for personal, educational and research use. All publications deposited in the repository are described with complete bibliographic information for the original publication and includes an explicit statement identifying the date and owner of copyright.

Please let me know if we have permission to deposit their publications in our repository. I look forward to hearing from you.

Cordially,
Scott

D. Scott Marron
