 Sponsored by ISU Veterinary
 Medical Alumni Association

THIS IS A SWITCH--

For several years now, a reception has been held for the graduating class, their parents, relatives and friends. In addition to the administering of "The Veterinarian's Oath," this past year by Dr. M. A. Emmer-son, the wives of the graduating seniors have been presented with a P.H.T. certificate. P.H.T. stands for "Putting Hubby Thru" and is a "take off" on the Ph.D. or Doctor of Philosophy degree.

The 1968 class was the first to switch the position of "provider" from wife to

husband; thus P.W.T. degrees ("Putting Wife Thru") were presented to Dr. Gerald Orlando (VM '66) and Dr. James Wylie (VM '66) for partial support of their wives, Kay and Karen, during their senior year or following their marriages.

The Senior Veterinary Medical Reception is held in the Memorial Union Sun Room for each graduating class, their parents, relatives, and friends on the evening just prior to the university graduating ceremony. The reception is especially enjoyed by the parents and relatives of the graduating seniors.
