Alumni Homecoming

The Homecoming Veterinary Alumni Luncheon was held on October 17, 1964, in the Veterinary Quadrangle. Approximately three hundred guest alumni were served at the luncheon. Approximately one hundred and seventy alums requested reservations for the Homecoming Football Game. It was splendid football weather and the luncheon was a fine opportunity to renew old acquaintances. We would like to express special thanks to the Student Chapter Auxillary for their assistance in serving at the luncheon.

Important Message

For those who are keeping the I.S.U. Veterinarian in bound form, and therefore are conscious of the volume and issue numbers, we wish to correct an error in the 1964 winter issue. This issue was incorrectly labeled **Volume 27, number two**; it should have been **Volume 26, number two**.

Our fiscal year has run from September 1st to September 1st. Beginning this January it will change to run from January 1st to January 1st. This necessitates a change in our volume numbering to coincide with our fiscal year. Therefore the next issue will be **Volume 27, number 1**.
